

NCF Building Together Update July 2020

Dear NCF Family,

Our building together project is in full swing!

I know due to Covid19 many of you may not have had the opportunity to come and see the new building project and how far we are in the process. I encourage you to come to the church and one of us on staff would love to show you around!

We are at a very crucial point in this project. As most of you know we are short of funds to complete both phase one (Worship Center) and phase two (Parking lot). These need to be completed before we can have occupancy to the building and use it for the Lord. In the near future we will be having a church family meeting to discuss how we can move forward. I realize this will be difficult with our current situation in the world we live in. But guess what? God is bigger! We will move ahead and Christ will be exalted in this process no matter what happens!

I want to encourage you to be a part of Building Together in any way you can. If you need more information please don't hesitate to call the church office or Pastor Marc to get your questions answered.

Thank you to all who have pledged a gift and please be in prayer for this project.

Blessings to you all,

Pastor Marc
